## First Aid To The Rescue

Just a couple of weeks ago, a new First Aid Station was opened at WED & MAPO's Air Way Facility. A ribbon-cutting ceremony was held on Wednesday, October 22, with Employee Relations Director Chuck Shields doing the honors with a pair of scissors (all the scalpels were being sterilized). Then the entire Air Way staff was invited to share a special cake whipped up for the occasion.

On hand for the festivities were MAPO Director Arnold Lindberg, Stuart Niesen of Safety and our nurses Clarice Wynecoop and Juanita Camfield. Juanita will be in charge at the new facility, which will service the Air Way Facility, the Tower Building and 1048 Grand Central.

Now, if you are located in one of these buildings and need *Aid*, stop by and see Juanita *First*!

## United Support

With your help, WED & MAPO's 1980 United Way Campaign will be a success!

As you know, the United Way gives aid to agencies that provide health and welfare services in our community. There are over 250 such volunteer agencies locally that depend on the United Way for 90% of their support. National health societies such as the American Cancer Society, American Heart Association, Crippled Children's Society, Lung Association and American Red Cross receive support as well from the United Way. And, in the long run, each and every one of us benefits from the

contributions we make to this worthy cause.

This year our Company goal is \$45,000. Your Division Representative will be asking you to contribute or to increase your contribution this week. Weekly payroll deduction is a convenient way to give, but you may also make a direct contribution if you wish. In either case, our goal is sure to be reached through our collective effort.

Please join in and give your personal support to the United Way. The campaign slogan says it all in one phrase: "People like you... helping people like you!"

## Gettin' Some Wheels

As our Company has grown so rapidly in the past year, so has the number of requests for vehicles increased tremendously. Steps have been taken to enlarge the present motor pool and four additional vehicles

will be added in November.

In addition, to improve service in providing Company vehicles, the following guidelines have been established to make requests for vehicles an easier operation:

1. Direct all vehicle requests to Wendy Ness at 7232.
2. All requests should be made 24 hours prior to vehicle need.
3. Please report gas level and any vehicle problems on the Vehicle Log, which is issued with the keys.
4. Any requests for overnight or weekend vehicle use should be directed to Keith Bunch at 7337.
5. Any requests for large groups (10 or more) should be made two to three days in advance.

## WEDlines.....

...Out on the Softball scene this week will be the WED Sox, meeting Glendale Muffler on Thursday, November 6, at 9 p.m. on Glorietta Field. The Disney Ducks are idle this Sunday.

...Tomorrow, Tuesday, November 4, is Election Day. This is an important election, so please remember to visit the polls between the hours of 7 a.m. and 7 p.m.

## Tee For Twelve

Our WED & MAPO golfers ironed out any doubts about their prowess at the tee by soundly clubbing their opponents to take first place in the Eight Annual Intercompany Golf Tournament at Soule Park in Ojai on Sunday, October 26.

Every year, WED & MAPO, the Studio and Disneyland pick 12 of their best golfers to drive and putt for the perpetual trophy. The Park has dominated the

matches over the years with five wins, with the Studio showing success only once. This is WED & MAPO's second triumph; the first came in 1975. The tone for this win was set last year, however, when they were edged into second place by only  $\frac{1}{2}$  point.

Next year? Well, our golfers don't think it will be necessary to move the trophy from WED & MAPO...

OUR WINNING GOLF TEAM is (front, left to right) Al Wong, Gary Smestad, Al Salm, Fred Ortega, Ron Carman and (back, left to right) Bill Loy, Don Hilsen, Rick Christensen, John Kreigenhofer, Red D'Addario, Phil Jordon and (not pictured) Doug Lamb.
